This Week in State and Local Government
prepared by Carmen Assunto, x3-2196, Office of External Affairs
(week of February 4, 2013)

Hearing Set On Proposed Revisions To Regulation

The Arkansas Pollution Control and Ecology Commission (APC&EC) will hold a public hearing at North Little Rock March 4 to receive public comments on proposed revisions to Commission Regulation 30 (Remedial Action Trust Fund Hazardous Substances Site Priority List). Regulation 30 establishes the state Hazardous Substances Site Priority List, which identifies Arkansas locations with hazardous substance issues which have been authorized for funding by the state Hazardous Substances Remedial Action Trust Fund for assessment and possible remedial action. NCL Congressional City Conference to Convene in March

The National League Of Cities (NLC) will convene its annual Congressional City Conference in Washington, D.C. March 9 - 13. The Energy, Environment and Natural Resources Committee will meet on Sunday, March 10.

National Waterways Conference to Convene in DC

On March 11-12, the National Waterways Conference, which is comprised of the full spectrum of water resources stakeholders, including flood control associations, levee boards, waterways shippers and carriers, industry and regional associations, port authorities, shipyards, dredging contractors, regional water districts, engineering consultants, and state and local governments, will hold its Annual Legislative Conference in Washington, D.C.
